

### I can do all things through Christ who strengthens me – Philippians 4:13

Hello again,

Where does time go – it seems like no time since we last wrote. For those of you who are teachers – you have my sympathy – your holidays are half over. The girls are also half way through their time here in Switzerland. We will be bringing them home at the end of August to start back at school on 1<sup>st</sup> September. Time goes so quick.

That has been the case this week certainly. We have been very busy once again preparing our two Bible lessons as well as keeping up with the other readings, studies and written assignments that have been set for us. We both did very well with our presentations as did the other students. It was helpful to hear how to watch out for and deal with the many problems teenagers face as they grow up – never stop thanking God if you have been blessed with a good family especially if your parents told you the truths of the Bible and your need of salvation.

By the time you receive this we will have completed our two Bible lessons – that will be a relief as they are probably one of the most challenging things to do. We are currently studying the topics of running pre-school clubs, child study, open air and 5-day clubs and how to do follow-up for a child who has trusted Christ as Saviour.

On Wednesday we are starting to plan for the week of camp coming up in a week and a half. We will be putting into practice all the lessons that we have been taught over the past 5 weeks. There are 30 children coming from an American army base in Germany for the week of camp. Please pray that God will speak through us during this week. We still have a number of assignments to get completed before the weekend. We hope to relax a bit more at the weekend as this is a long free weekend for all students and is also Swiss National Day on Sunday – there is already a bonfire built at the back of Kilchzimmer – just like home!

#### Prayer Points

- Continued help with our studies and assignments
- The week of camp coming up in one and a half weeks – they come to Kilchzimmer for the week – we will be leaders / counsellors that week – pray for Colin Hylands (from N.Ireland) as he comes out at the weekend to organise and run the camp.
- Thank God for all the staff here at Kilchzimmer who serve in practical ways by cooking, cleaning, upkeep of the grounds etc.
- That the girls will continue to benefit from their time here.

Paddy, Jill, Faith, Jenny & Emma
