

We bid you very warm greetings from sunny Switzerland. We arrived last Saturday evening after driving just over 1000 miles through Ireland, Wales, England, France and Switzerland. Give thanks to God for safe travel, the patience of the girls and not getting lost.

Monday morning rising bell rang loud and clear at 6.30am and we have had a packed programme ever since. There are 9 students doing the course from 6 different countries:

Sonja – Germany	Michelle – Germany	Alex – Germany	Pauline – France
Kristel – Estonia	Adele – Ireland	Matt – England	Paddy & Jill – N.Ireland

It has been good getting to know the other students and sharing time with them.

We are in classes from 8.25 – 1.15 each day. We also have at least 3 hours study each afternoon and evening as well as many housekeeping duties to do, so the first two days have been tiring. We have also been given 6 assignments this week so pray that we will be able to complete these on time. The girls are being looked after during the morning by Ruth Lockhart who works here – they have a daily Bible study, some duties to do and then play games, do crafts or go for walks – they played hide and seek in some old war trenches in the forest behind Kilchzimmer.

Prayer Points:

- Health and strength for our studies
- Clarity of thought and wisdom for our assignments
- Paddy as he prepares to speak on Sunday morning at the service held here
- For families at home
- That the girls will really enjoy and benefit from the experience

We would like to thank you for your prayers at this time.

Paddy, Jill, Faith, Jenny & Emma
