

It is hard to believe a week has passed already since we last wrote to you. It has been a very busy week indeed – more about that later.

To the left you can see all the students taking the Children's Ministry Leadership Course (CMLC) with us. Starting back right we have Henry Berry (CEF National Director for Ireland) – he is teaching these first two weeks of the course, then we have Matt (England), Alex (Germany), Jill, Paddy, Faith, Emma, Jenny, Sonja (Germany), Michele (Germany), Adele (Irish but now married to Matt), Kristel (Estonia) and Pauline (S. Korea) – a real mixture of cultures but united in Christ and the desire to reach children with the gospel.

Last week was very busy with studies in Bible Doctrine, The Biblical Basis for Evangelising Children, Understanding & Interpreting Scripture and How to Evangelise Children . We completed all assignments on time last week and have nearly as many to work on this week. Most days we are on the go from 6:30am until 11pm. By the time we go to classes, do our house duties, attend the daily prayer time and do our individual studies there is little time for relaxing.

We were grateful to have Saturday totally free of studies and as you can see we spent a few hours relaxing at a nearby, outdoor pool – the girls loved it. It was a good chance for all the students to have some fun together. We had a BBQ on the Saturday evening and of course the first rain came – typical Irish BBQ.

The Sunday services went well – Paddy knew a real sense of God's help when speaking at the morning service. The girls continue to have their daily Bible lessons with Ruth Lockhart and have also learned many new games, they have seen many lizards and one snake.

Prayer Points

- Continued help with our studies and assignments – two assignments this week and an exam on Fri morning.
- That Jill would know help as she shares her testimony in the Sunday morning service.
- Safety in travel for Henry Berry as he goes back to Ireland this weekend and for Jennifer Evans and Angie McKee as they come out to teach over the next two weeks.
- Praise God for how the children have settled in.

Paddy, Jill, Faith, Jenny & Emma
